## COMPUTER SCIENCE

+966 50 391 9626 | lubna.mg@hotmail.com | [LinkedIn](#)

I aspire to apply my skills in artificial intelligence, data analysis, and UI/UX design within innovative tech environments, especially in smart systems and data-driven product design. I am motivated to contribute to effective solutions through creativity, accuracy, and teamwork. Seeking a position in AI-driven product development, data analysis, UI/UX design, or smart system innovation.

## EDUCATION

Qassim University

Bachelor of Science in Computer Science

Expected Graduation: May 2025

GPA: 4.38 / 5

## SKILLS

### SOFT SKILLS

- Time Management
- Attention to Detail
- Adaptability
- Team Collaboration

### TECHNICAL SKILLS

- Programming Languages:** Java, Python, C++, SQL
- Web Development:** HTML, CSS, JavaScript
- Data Analysis & Visualization:** Power BI, Microsoft Excel
- Tools & Software:** Microsoft Office (Word, PowerPoint)

## PROJECTS

### Graduation Project – “بصيرة”

AI-based system for early autism diagnosis using eye-tracking.

- Developed code and UI
- Top-voted project at Qassim University
- 2nd place winner in the “Ebtakar” Innovation Incubator
- [Poster](#)

### Food Tech Hackathon “Organized”

Developed a digital banner concept to improve food safety data management in Saudi food supply companies.

- Focused on low-cost, cloud-based, and open-source solutions
- Contributed to research and UI prototyping using Figma

## EXPERIENCE

### Intern

Digital Transformation Department, Jeddah

Municipality

Summer 2024

- Participated in digitizing municipal services and gaining hands-on experience in smart city solutions

### Member

Student Computer Club, Qassim University

- Assisted in organizing workshops and technical events

### Member

Robotics Club, Qassim University

- Contributed to robotics-related learning activities

## COURSES & CERTIFICATIONS

- CS50x: Introduction to Computer Science – Harvard University
- Cybersecurity Course – Monsha’at
- Technology Essentials Course – IBM

## LANGUAGES

Arabic: Native

English: Advanced
